Check in

All participants should report to the registration counter upon arrival at examination centre to collect a participant exam kit that includes participant badge and model's label

General Examination Rules

- Participants must supply all products, tools and equipment including lamps and extension cords.
- No smoking, eating or drinking are allowed during the examination.
- Talking to model is allowed, but cannot disturb other participants.
- Participants must raise their hand to seek the judge's permission before asking any questions.
- Once examination time ends, all participants must stop working and do not touch or talk to their model until judging is completed. Please inform your model not to leave the exam hall after judging as they may be recalled by the judges. They can only leave after all judging for that category is finished.
